Artifort Ox

Elegant, vibrant and versatile. Artifort Ox is a pigmented leather with a fine grain. Due to its elasticity and uniform look the Artifort Ox lends itself to fit perfectly onto our design sofas and armchairs.

The quality of Artifort Ox is primarily linked with the raw material. It begins by selecting the best European hides for then be enhanced by the tanning and processing carried out entirely in Italy.

Artifort Ox is a carefully selected range of 12 colours by the Artifort Design Group that reflects the latest colour trends.
